

All State Miniature Horse & Donkey Club

Dear Friends, Families, Neighbors and Sponsors,

The All State Miniature Horse and Donkey Club is an organization located in South Central Pennsylvania.

Our goal is to create responsible ownership of the miniature breeds and to introduce owners to the versatility and fun associated with them.

Throughout the year we plan to host clinics and educational seminars on the ownership, care and showmanship of the miniature horse and donkey. We hold 3 miniature horse and donkey shows during the year and we also participate in local parades to show off our miniature horses and donkeys.

In support of our organization your business will have an ad placed in our Show Program, Year End Awards Program and on the website. If you elect to sponsor a class, your name and/or company's name will be mentioned as sponsoring that class during our shows. Our Show Programs will be distributed at each show, and at local businesses before the shows. Your donations also help our club to purchase ribbons and awards for the shows and our year end awards banquet.

Our website is www.allstateminiclub.weebly.com.

Our email is allstateminiclub@yahoo.com.

If you have any questions, please feel free to email us or contact our president:
Erika Fix- 717-372-7918

Thank you for your support,

Erika Fix
